Who's Who

IN BUSINESS

Antenna Man LLP

Little did Wayne Wheeler know one New Year's Day in the early 1950's, he'd be beginning a business still going strong 69 years later. Through the years Antenna Man has been your local provider for almost every TV system available and we now have our own wireless Internet service.

With a small modem and a monthly subscription, which Antenna Man, not some far off faceless company, bills and collects for, it's all most people need. It's a great replacement for the not so good phone company Internet or satellite Internet from various companies, many we installed. It's mobile, making it great for campers too. We have no long-term contracts or credit checks.

Off-air antennas, in this age of Internet streaming? YES! Just in the last year we've done over 50 installs of "old fashioned" antennas. Once you pay for the equipment and install, your monthly programming bill goes to \$0. Most local customers get 22 digital channels or more, which is 2 more than this time last year.

Of course, Antenna Man still does the dishes. We also sell and install WeBoost cell phone boosters.

Now headed up by Wayne's son, Jeff, Antenna Man is a local company dedicated to helping make seemingly difficult technology easy to use. If you'd like to see some of our past projects, search for Antenna Man LLP on Facebook.

AquaRealm Aquarium & Pets

AquaRealm Aquarium & Pets is a full-line pet store that also offers hard-to-find services.

Owner D.J. Nelson and his employees can trim bird wings, small animal or bird nails, properly maintain your home aquarium, and board small animals, reptiles, and birds.

Mr. Nelson has more than 27 years of experience in the pet trade. He's even been interviewed about pet care for national magazines. His knowledge and experience with animals set him apart. He says that his passion for animals and wanting to help educate people so their pets can live longer, healthier, happier lives inspired him to start and expand the business.

In 2017 AquaRealm moved to a better location with their own parking, and allowed them increased selection in every department.

The business is known for its cleanliness, its excellent stock, and a friendly and knowledgeable staff who offer great customer service.

Come in and check out AquaRealm Aquarium & Pets. They are constantly evolving to better suit the needs of your pets.

Candy's Barbershop Freestyle Hair Design

Candy's Barbershop Freestyle Hair Design, which was located at 398 Western Ave., was owned and operated by Candice Allard, who recently retired. Not only was Candy one of the best barbers around, she was the only woman barber around this area with over 40 years' experience.

Born and raised in Newport, Candy moved out west after marrying her husband, Greg. There she attended and received her barbering license in 1980 from Utah Technical College. Her ultimate goal was to open her own shop. This required three-year apprenticeship. With the support of her husband, she opened a shop in Colorado which she owned for 5 years. After learning she was expecting a child, they decided to move back east to be closer to family. All-in-all they lived out west for 10 years making friends in Utah, Wyoming and Colorado. Once Ashley was born, she was able to take a leave from work and spent three years raising her daughter before going back to barbering.

After Greg died, a scared and angry Candy moved back to Newport with her daughter where she worked in a shop next to McDonald's. The owner there encouraged male customers to go to her.

To channel her anger, she became involved in tae kwon do. She found the discipline not only helped with their emotions but helped her physically with her rheumatoid arthritis. She and her daughter traveled to five national and four Junior Olympics in martial arts.

After taking a vacation to Florida, and from barbering, Candy returned to the area and met her current partner, Bill Anthony. It was after that she opened Candy's Barbershop Freestyle Hair Design which she ran very successfully for over thirty years.

Candy wants to thank all her customers for keeping her in business for the past 33 years. She cannot thank them all enough for their loyalty and will definitely miss them all.

Central Orleans Family Education Center (COFEC)

Central Orleans Family Education Center (COFEC) is the home of the Orleans Central Supervisory Union offices and the Orleans Central Early Childhood Program. Approximately 40 people work at COFEC.

The Orleans Central Early Childhood Program operates in collaboration with Head Start to provide preschool services to approximately 80 OCSU children, including a classroom at Albany Community School. There are three colorful preschool classrooms at COFEC, as well as two playgrounds and a large multi-purpose room with a kitchen.

The Orleans Central Supervisory Union administrative offices are located at COFEC, including the offices of the superintendent, director of instructional services, and human resources. OCSU support services are located there, which include the support services director, the achievement assessor, the district's school psychologist, behavioral specialist, and the speech and language pathologist. The OCSU business office is home to the business manager, as well as payroll, accounts payable/receivable, food service coordinator, and benefits personnel.

Wild Branch Solutions, which provides technical support for OCSU and the seven local schools, has a work station at COFEC and various community organizations frequently use COFEC for meetings and events. Central Orleans Family Education Center is an integral part of the community and a very busy place!

the Chronicle

THE WEEKLY JOURNAL OF ORLEANS COUNTY

The Chronicle now in its 49th year was originally founded by Chris and Ellen Braithwaite in 1974. In 2014 eleven long-time employees purchased it from them. Currently *the Chronicle* has eleven employees, composed of office staff, production staff, editorial staff, delivery drivers, and a sales person, plus five contributing writers. Some of the employees have been there for a quarter of a century or more!

The Chronicle is one of Vermont's largest selling weekly newspapers, with around 6,000 papers sold each week through the local area stores, and subscriptions. Some subscribers have been with *the Chronicle* since the beginning.

Each week you will find stories pertinent to the issues affecting the residents of the Northeast Kingdom: stories of accomplishments and struggles the local people face, coverage of local and state government, plus sporting events, a calendar of local events, church worship services, classifieds, court coverage, letters to the editor, editorials, opinions, along with obituaries, weddings, births and engagements of the people in the area. You will find local business news, hometown news, and school news pertaining to the Northeast Kingdom locals.

The Chronicle's advertising base is the place to check out what's available from local businesses and services.

Top news stories, classifieds, obituaries, and community events are posted weekly on *the Chronicle's* website. For more items of interest, follow them on Facebook or purchase an online edition.

Country Thyme Vermont

Country Thyme's quilt and gift shop is located in Troy, about a quarter mile from Community National Bank and the Junction Restaurant. In 2020 they moved to this location after doing business in Derby for 23 years. Owner Kay Courson, and her staff, Cathy Emery, Sarah Thwaite and Noreen Hinton, continue to offer the exceptional customer service they are known for.

They offer an excellent variety of fabric from top manufacturers, great sewing notions, and lots of fun and quality gifts. They sell specialty foods and have an eclectic assortment of gifts available for all ages. Gift baskets are their specialty. They even gift wrap and ship for your convenience!

Country Thyme is packed with wonderful, fun things sure to please. They are focused more on the quilting side, but stock lots of gifts so you can shop locally. If you can't find what you are looking for, just ask and they will try to order it for you!

Country Thyme appreciates their customers for continuing to shop with them after they changed locations and throughout the pandemic. As a way of saying thank you, they implemented a new loyalty program which enables shoppers to earn a credit after six visits, to use on a future visit. They want their customers to visit, have fun, enjoy the time spent there, and keep coming back again and again!

Driver's Outdoor Power Equipment

Do you need your chainsaw or other outdoor power equipment repaired?

Visit Scott Driver, owner of Driver's Outdoor Power Equipment, and an excellent mechanic. The West Charleston business both sells and services outdoor power machinery and tools such as lawn, garden, and forestry equipment, and is a dealer of Husqvarna, Ion, Strikemaster, Oregon Forestry Products, Generac products, and Labonville Clothing.

Driver's Outdoor Power Equipment offers competitive pricing, but it's the service that Scott and his employee Ray Smith pride themselves on. "If I can't repair something, I'll find out who can, or if it's even possible, or if it's even worth fixing," he says.

Scott has been in business for almost 17 years, but the shop has been in operation for over 42 years. He is completely knowledgeable in his field and enjoys talking to customers and trying to help solve their problems.

The Essex House & Tavern

Welcome to the Essex House & Tavern, where the lake, river and friends meet! Entering their sixth year in business, local owners David & Melinda Lamoureux have resurrected the 1866-era building nestled in Vermont's Island Pond to house not only a 10-room hotel, but also a restaurant/tavern, a banquet/function room, and a newly constructed pavilion on the river's edge!

The atmosphere created is one that reflects the history of the Essex House by keeping the original wood supports and having a modernized, antique aesthetic. Each of the hotel rooms have been renovated with new amenities such as light limiting curtains and flat screen TVs, while still retaining the building's quaint and historic style.

Guests and locals alike love dining for lunch and dinner at the renowned tavern with its vintage industrial look. The recently renewed menu now carries more dinner options, sure to please those taste buds! The tavern also offers eight draft beers on tap (of which many are Vermont brewed), and a full bar featuring specialty cocktails like their Hot & Dirty Martini! If you care for a quieter dining experience, ask to be seated in the banquet/function room. Along with offering a venue for rehearsal dinners, birthday parties, and other celebratory events, the banquet/function room is elegant in nature and retains the dance floor from years ago. Be sure to contact them when considering your next event! The newly constructed pavilion on the river's edge directly complements the taverns decor with exposed rough timbers and provides an alternative outdoor dining experience! During colder months, the two large industrial heaters and full-length curtains provide a quaint, warm environment to enjoy your favorite beverage. During summer months, the pavilion will provide relief from the hot sun along with a fantastic venue for our weekly outdoor music series!

Guests come first, so there is great pride taken to make sure your stay is as enjoyable and relaxing as possible. They hope that the attention to detail shines through each and every moment of your stay. Whether you are in town for some snowmobiling, skiing, camping or fishing, a visit to The Essex House & Tavern is sure to be unforgettable!

The Farmyard Store/ True Value Rental

When you visit The Farmyard Store, you'll see we have a lot to offer! We have been in business for 20 years, starting small and expanding to what you find today. As your local Blue Seal dealer, we carry a full line of animal feeds from poultry to horse and anything in between. Zignature and OC Raw lines are just two of the top quality brands of pet food stocking the shelves. From dogs and cats to guinea pigs, we have the supplies to meet your pets' needs, including beds, grooming products, training equipment, and a large selection of toys that can't be beat. You can bring in your dirty dog and try out our new self-serve pet wash. Schedule an appointment or walk-ins also welcome. Don't forget the birds! Whether you have domestic birds, or enjoy the company of wild birds, we have everything your feathered friends would want.

From garden equipment, flowers, to locally made products, you will find it all at The Farmyard Store. Be sure to check out our new footwear lines, such as Lacrosse and Redwing, outdoor wear and work wear too!

Take a walk through the showroom of stoves. We sell premium stove brands such as Harman, Quadra-Fire, Vermont Castings, Heat & Glo, and Central Boiler outdoor wood boilers.

You'll find one of the largest supplies of drainage products in the area, such as culverts, pipe, precast and septic tanks.

At True Value Rental we offer everything you need for projects big and small. From excavators to wood splitters, and you'll also find party supplies, too — such as bounce houses, tables and chairs, and even a cotton candy machine.

New to the Farmyard Store is our Shed Company. The sheds are built right here! Choose a shed from the many styles on the lot or have one custom-built. Rent to own options are available.

We also offer UPS shipping and have a propane filling station.
Shop local where the knowledgeable staff offers friendly service six days a week!

Good Boys Cedar Products

Good Boys Cedar Products started in the Spring of 2020. When their school closed in early March, and the store shelves got low they decided they wanted to try to grow some of their own food. To start they decided to make some garden beds which worked out great! From them they enjoyed the fresh veggies they grew.

In 2021, the Goodridge boys, Logan and Dylan were homeschooled and with their dad, Brian, came up with the idea for making garden bed kits to sell. They figured out what sizes they wanted to offer and how to package them. Over their first spring season, they sold over 200 garden bed kits to locals wanting to grow their own food in their back yards.

The garden bed kits have all you need—pieces cut to length, screws, drill bit, and a handy diagram—and are made from awesome-smelling white cedar.

They also offer elevated garden beds. The elevated garden beds are assembled for you by the boys along with their mom and dad's help.

You can reach them at goodboyscedar@gmail.com or 802-755-9996 and look for them on Facebook at Good Boys Cedar Products to keep up on new products.

Hayes Ford

Hayes Ford is a family affair, and always has been since it started in 1971. M. John Hayes II, known as Big John, started selling cars in 1958 in Franklin County, then headed to the Northeast Kingdom to buy the dealership in 1971 and it has been going strong ever since. His son Mark joined the business and then with his brother Michael, took over from John. They remained partners for 20 years until Michael left the area. Mark is sole owner now and still sells quality Fords and Lincolns alongside his sales team.

The East Main Street building where Hayes Ford is located was built in the 1940s during World War II. Hayes Ford is the fourth dealership on the grounds. Hayes Ford has grown throughout the years and now has about 31 full-time and 6 part-time employees. They pride themselves on being an integral part of the community and enjoy giving back. They host free events at Halloween and Easter for local children, as well as fundraising events for local community groups. At Thanksgiving time, Hayes Ford teams up with Vista Foods to deliver complete Thanksgiving meals to local families. And, at Christmas, Hayes Ford delivers gifts to local nursing home residents.

Hayes Ford stands out among many other dealerships due to the fact they can offer everything to meet your vehicle needs, all in one place. They have a service department with Master Certified technicians, parts and accessories, reconditioning, rentals, full-service body repair shop, and diesel truck shop, along with transmission specialists. Hayes Ford offers hometown values in an effort to build customers for life! Visit them on the web at www.hayesford.com or check them out on facebook!

Gray's
Paving & Asphalt Plant, Inc.

COVENTRY – Owners, Mark & Heather Gray along side Mark's father, Arnold Gray, have been building their family's paving business since 1984, serving all of the Northeast Kingdom. Their scope of work includes commercial, municipal, state and residential projects. From asphalt paving, sweeping, grading and excavation, as well as winter services — plowing, sanding, salting and snow removal. In addition to paving, in 2009, the owners erected their own one-ton drop-batch asphalt plant in Coventry to better serve its customers. Materials for making their Virgin Mix Asphalt are purchased from Calkins Sand & Gravel. They have provided the highest quality materials and workmanship to thousands throughout the Northeast Kingdom. Gray's Paving & Asphalt offers free written estimates and all work is fully guaranteed. The company is based on the principles of honesty, integrity and customer satisfaction from estimate to finished product! The asphalt plant usually opens in mid-May through October. For all of your paving or asphalt needs, please call Gray's Paving & Asphalt Plant, Inc. at 802-334-7260 or email grayspaving@pshift.com.

Hearing Center of Vermont

Heidi Eichenberger, BC-HIS, of the Hearing Center of Vermont, has a hearing problem herself, so she knows what it's like and is eager to help.

The Hearing Center of Vermont in Newport is a full-service hearing aid retail sales and repair service. They opened their doors in June 2014. The Hearing Center of Vermont is proud to announce that medical consultation for their customers will be available if desired, prior to hearing aid dispensing, by Dr. Paul Julien, ENT, at their location.

They provide complete hearing testing, hearing instrument fitting, repairs, wax removal, and industrial/commercial testing. They sell hearing aids from all leading manufacturers, which include a complete line of advanced technology hearing aids and accessories, including custom-fit ear molds for both behind the ear and in the ear applications.

Ms. Eichenberger is happy to help, and says the technology has advanced so that hearing aids are comfortable to wear, and a wide variety of hearing problems can be remedied (including tinnitus in most patients) and, when necessary, she even does house calls. They accept Medicaid, which provides hearing aids at no charge for those in need, and will work with any private insurance provider that covers hearing aids.

Drop in and speak with Ms. Eichenberger for a free, no obligation assessment of your hearing and an introduction to the product line, or visit their website.

Green Mountain Sporting Goods/
Nancy's Video

For 32 years Nancy's Video has offered new releases, classics of every genre, and friendly one-on-one customer service. For the past 16 years Nancy's has shared the location with Green Mountain Sporting Goods, a full-service hunting and firearms store.

Located on Route 5 in Irasburg, just up the hill from Coventry Village, the store offers what owners Brien and Trish Lemois call one-stop shopping. With a staff of five people, they pride themselves on friendly customer service and getting the job done right.

Nancy's Video was founded by Brien's parents in 1989, and now both businesses succeed on the same formula of personal service and always going the extra mile for the customer. Nancy's Video features all the latest titles.

Green Mountain Sporting Goods offers handguns, rifles, shotguns, ammunition, sights, parts and accessories. And with a master gunsmith on site, Green Mountain Sporting goods can handle your repair needs in-house, as well as custom-built rifles and 1911s, and also firearm restoration, and in-house custom cerakoting.

Recenty they underwent a huge 6,000 sq. ft. expansion. Whether you're an avid sportsman, or just stocking up for movie night, you'll find what you need at Nancy's Video and Green Mountain Sporting Goods.

Who's Who

IN BUSINESS

Heritage Memorials, Inc.

Heritage Memorials, Inc. is owned and operated by Lori and Scott Bianchi. Scott is the fourth generation in the granite industry. Scott and Lori have been working in granite manufacturing, sales and service for over 25 years each. They have a combined experience of 49 years. Scott and Lori both grew up in the Newport area, and enjoy raising their two children in the beautiful Northeast Kingdom. They work together as a team every day at their business, and as a family.

They decided to start Heritage Memorials, Inc., when the opportunity to purchase the property formerly owned by Garon-St. Sauveur Granite Company arose in 2015. In September of 2015, they became the proud owners of their own business.

At Heritage Memorials, Inc., they offer sales and service of all granite products throughout Vermont and northern New Hampshire. They provide customers with personal sales and service for customized memorials and countertops. The monuments are produced out of their local granite shed.

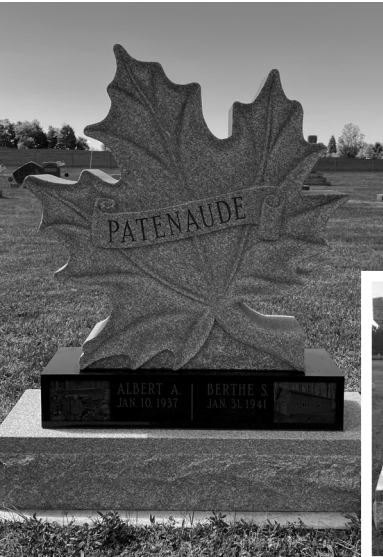

They can provide you with many granite products such as monuments, granite benches, cremation memorials, granite and quartz countertops, desk plaques, house plaques, steps, hearths, mantles, mailbox posts, and much more. They offer the following services: lettering and repairs, sandblasting of metal parts, complete cemetery restoration, and cleaning of memorials or entire cemeteries.

Snowplowing services are also offered with a portion of that income being donated each year to the Halo Foundation to help the local community.

The company's purpose is to provide personal customer service and top quality products in designing custom memorials. Their designs can range from a carving with roses to a full etched scene of your family farm. Each monument they design is unique to each customer. Their goal is to help their customers create a beautiful and personal memorial in memory of their loved ones that will last forever.

At Heritage Memorials, Inc., they take pride in their work, from a small grass marker to a large custom monument. They also enjoy helping restore cemeteries to their original beauty. Heritage Memorials thanks the community for their continued support, and for the opportunity to work with you and your families. They welcome you to stop by for a tour of their facility.

Kingdom Market, located in Island Pond, is owned by Ryan and Maria Perry. Because of their love of the town, and Ryan's almost 30 years of retail grocery experience, they decided to purchase the store two and a half years ago.

The store offers a full-service deli, 802 Spirits, a great selection of beer and wines, plus a gas station. Their meat counter is the best in town and has a good selection of fresh produce.

Since owning the store, Ryan and Maria have made many

improvements over the past few years. Most recently the beer cooler was upgraded and they hope to have a new dairy case before summer and have more plans for future.

Kingdom Market strives for excellent customer service and does their best to offer products their customers are looking for. Their friendly and helpful staff make for an upbeat atmosphere.

Labour of Love Landscaping & Nursery

With over 800 varieties of perennials, Labour of Love Landscaping & Nursery is a full-service design, build, and maintain landscaping firm. It is also both a retail and wholesale nursery with a wide choice of flowering plants available as potted sales stock.

Owner Kate Butler has been in business for almost 40 years, and with very few exceptions (primarily for special orders), she propagates what she sells. Her plants are grown, multiplied, and increased by seeds, cuttings, and divisions. The plants are guaranteed to be Zone 3 hardy and are large, healthy, and well-grown. Labour of Love is known for its unusual perennials that do well in the Northeast Kingdom climate and are not found elsewhere locally. Ms. Butler is particularly interested in pushing the envelope — growing things that are reputed NOT to grow this far north. She grows over 150 named varieties of Sempervivum, over 150 named varieties of Hemerocallis (daylily), as well as many “instant gratification” sizes of iris, daylilies, and much more. Instant gratification means just that — REALLY big sizes that appear (when planted at your home or business) to have been in place for many years.

Ms. Butler has been an avid gardener since childhood, and it was a natural segué from vegetables when her children were growing up to flowers. Folks are invited to visit the magnificent gardens surrounding her 1800s Greek Revival home with its antiques shop, handweaving studio and picnic tables anytime during daylight hours. Stop by and visit when you have the chance.

Morrisville Used Auto

The staff at Morrisville Used Auto believes in The Golden Rule — that they should treat people as they would like to be treated — and they would like to help you with your used auto needs.

For over 50 years, Morrisville Used Auto has been known for its good, honest reputation and excellent service. Owner Starr Bettis Locke and her daughter, manager Chrissy Griswold, took over the business after the death of husband and father, Joe, in 2003, and along with mechanic Steve Malnati, they continue to offer the same great service.

Morrisville Used Auto sells quality used vehicles as well as used and new aftermarket parts, including tires and rims. Morrisville Used Auto is a salvage yard and used car dealer. They will service every vehicle they sell. MVA deals with antique cars as well as services antique cars for their customers. They are also an official state inspection station.

Each vehicle is completely serviced before it is sold, and they offer clean, southern cars. Trades are welcome, and if you don't see what you want, they'll find it for you. In fact, they take a lot of pride in finding just the right vehicle for each customer, keeping their customers happy and wanting to come back.

NEK-TV

NEK-TV is public access television, aired on Comcast channels 1088 (formerly 15) and 1078 (formerly 17), broadcasting local sports, government and educational programs, as well as locally produced and statewide programs. They have been in business since 1993.

“We’re here to serve the public and let them exercise their views, talents, and skills,” says station manager Tod Pronto.

NEK-TV is free, or comes at a low cost with an inclusive, content neutral, first-served, free speech ideology. It provides a combination of television production equipment, training and airtime to enable members of the public, educational institutions, and governmental bodies to produce their own shows and televise them to a mass audience. If you would like to see what is airing on channels 1078 or 1088, you can now look on your Comcast guide or visit: www.nektvonline.com.

“We’re here to serve the public,” says Mr. Pronto. “Schedule a time to come learn how to work a video camera and learn how to edit your video on our professional editing programs. We can also transfer your home videos from tape to digital to help preserve your memories. If you have an idea for us, let us know! Or volunteer your time. We’re always looking for more volunteers.”

NEK Crafter's Emporium

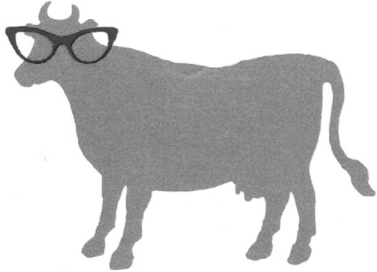

The NEK Crafter's Emporium is the place to come to when you want unique personal gifts and products, handcrafted by local Vermont artisans.

Proprietor Christine St. Onge opened the business in November of 2018.

Ms. St. Onge has been a crafter for years. Seeing all the beautiful work from local artisans throughout Vermont, she wanted a shop that would have room to blossom and grow, while showcasing their different and unique, high quality, one-of-a-kind handcrafted items. They currently have over 70 vendors who have their products showcased there.

Each week brings new pieces to the shop. At the shop you will find bath and body products, jewelry, wood art, sun catchers, dream catchers, knitted and crocheted items, home decor, incense and candles, and more.

Ms. St. Onge will greet you with a smile, and can tell you about the products and artisans she represents. Gift certificates are also available, which make a great gift.

Northeast TV & Music Shop

Celebrating 42 years in business!

Northeast TV & Music Shop owners Michael and Connie Routhier work full time to bring you the newest and best in satellite dishes, musical instruments and accessories, and sheet music. They are a DISH Network and satellite retailer. Mike does the satellite installations. They offer the latest promotions and do quality work. They also offer guitar set-up and repair. If you are interested in music lessons, inquire within.

Mike & Connie Routhier.

About 25 years ago they started adding musical instruments and accessories. You can buy sheet music, music stands, fine quality top-name instruments, strings, and reeds. Mike has implemented a program for “orphaned instruments” — instruments you might have lying around your home you don’t use or need anymore. If you have an instrument you would like to sell, bring it by and they will sell it for you on consignment. Or, if you are looking for a good used instrument, stop by and check out the inventory of orphaned instruments, such as guitars, amps, and orchestral instruments. They carry Luna guitars and the Peavey line of guitars and amps, and now carry a line of Teton Guitars, Washburn Guitars, and Electro Harmonix Pedals.

In their showroom you’ll find an assortment of guitars, accessories, and Ernie Ball strings. They can also order Yamaha accessories.

Northeast TV opened its doors on February 1, 1980, and have been offering quality service and fair prices ever since. They believe satisfaction and full disclosure before the sale are vital to customer satisfaction. Come on by and see what Connie and Mike have to offer. There is plenty of free parking at their convenient location.

Northeast Kingdom Hemp

Just as it is known for its artisan quality beer, cheese and maple syrup, Vermont should be known for superior hemp products. Northeast Kingdom Hemp brings this craft approach to the extraction of CBD. Owner's Cam and Karen Devereux, and their two sons Camden and Joel are dedicated to performing the entire process — from planting, tending, and harvesting, to extraction, formulation, and delivery of the healthiest CBD oils.

More and more, people are learning that not all CBD is created equally. By starting with certified organic hemp plants, focusing on the details, and using state-of-the-art CO2 extraction equipment, NEK Hemp is able to provide consistently high-quality products.

In business since 2017, the NEK Hemp team has the experience to help you choose the products that are best for you. Whether you are looking for a tincture, topical, bath and body, or specialty product, everything they sell starts with their certified organic hemp. Their products can be found in many local stores, as well as online at www.nekhemp.com. If you are thinking about adding CBD to your life, trust Northeast Kingdom Hemp for the purest products available.

The Pick & Shovel

The Pick & Shovel is a maze of aisles where you'll find just about anything, because if they don't have it, you don't need it. They're an adventure, not just a hardware store. You've never seen a place like this before. The clerks not only walk you to what you came for, they'll answer every question along the way. The Pick & Shovel has been in business since 1975, but has been operating businesses out of the block of buildings since long before their great-grandfather could remember.

They are proud to offer in-store services for your convenience and general happiness. Services include: key cutting, coin operated laundromat, pool water testing, chainsaw blade sharpening, scissor sharpening, mower blade sharpening, lumber cut to size, window screen replacement/repair, glass window repair including plexiglass, shade cutting, pipe threading, and UPS services.

Many services are free of charge, so make sure to ask. Just walk in the front door and stop at the registers. One of the many red-vested clerks will be happy to help you.

At the Pick & Shovel you will find everything from nuts and bolts to clothing and pets. They have a pet store that is so huge some even call it the "Newport Zoo." They even have an ice cream shop called Tim and Doug's that is open from March to October.

Rusty's Electric

What started out as a small, one man business in my basement grew to employing a couple of guys (still out of my basement!), to having a solid team of very skilled employees in an actual office (we even have our own bathroom now!). 18 years later, Rusty's Electric offers home and commercial electrical services throughout our community. We are a local based team and aim to keep our work that way: LOCAL!

The team consists of Russell Bowen - owner and master electrician, Alan Desrochers - master electrician, Keith Nichols - journeyman electrician, Ethan Kittle - generator technician and electrician's helper, Dakota Warner - apprentice Electrician, and Kaleigh Noyes - office assistant. Our skilled, licensed and certified electricians and technicians are always professional and punctual. We will always return your call, show up in a timely manner, and clean up when we are done. Nothing but professional work from Rusty's Electric!

No job is too big or too small for Rusty's Electric! We now have a new towable lift that can reach up to 40 ft. giving us the ability to tackle even bigger projects. In addition to providing quality and professional electrical services, we also specialize in selling and servicing Generac generators, are a part of Efficiency Vermont, and as an EEN contractor, we can help you with energy efficient lighting. We now install electric car chargers and are certified through ChargePoint.

Let us help you with your residential or commercial needs, new or old. Thank you, NEK, for a great 18 years and counting!

Snap-Crackle Machining LLC

Snap-Crackle Machining LLC is a small machine shop business in Irasburg.

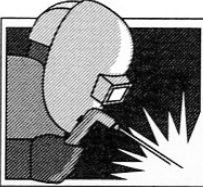

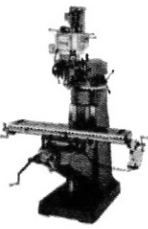

Owner and operator, John Borst, has had 30 years experience as a machinist on just about anything other than engine work. He has over 40 years of stick and mig welding experience on most metals. Over the past 20 years he has done fabrication work involving different sizes and types of projects.

A job can be done in a variety of ways: he can machine the part(a)—do the cutting and drilling—and the customer takes the part(s) home to finish the project or he can machine the part(s) and weld pieces together in sections for the customer. He may give you suggestions to go about making something in a different and/or less expensive way, yet still function to fit your needs.

He also does production runs on parts in small or large quantities. The shop is open by appointment only. This allows him to have better time management to complete jobs.

John Borst is also a Class 2 Water Operator who is able to run community and commercial water systems according to State of Vermont and Federal guidelines and rules; and does some stained glass and wrought iron work, too!

For more information, call 802-754-8410 and leave a message.

Summersweet Gardens Nursery and Tea Room

Rachel Kane has always loved plants and that love led her to start a nursery while still in college. Her nursery reflects that with a large selection of plants, around nine hundred or so. Many of these plants are unusual or rare and new to many customers.

Summersweet Gardens, formerly Perennial Pleasures, has mature display gardens and the only tea room around which make it unique. Aside from flowers, herbs and shrubs, they sell an eclectic assortment of 'the beautiful and the useful' in the gift shop including summer and garden hats for men and women.

Summersweet Gardens is a an exciting place with new plants for experimental gardeners and support for those beginning gardeners, too. Assistance is offered to customers needing solutions. Honest information and inspiration are provided along with good advice from experienced gardeners.

The nursery and gift shop are open from early May to mid-September, 10 a.m. to 5 p.m., Wednesday through Sunday. The Tea Garden is open from 11 a.m. to 4 p.m., roughly Memorial Day weekend to Labor Day. Stop by this summer and enjoy an English-style tea in their gardens.

Walt's Sales & Service

In 1967 Walt and Joyce Jenness opened Walt's Sales & Service on Main Street in Derby, a business devoted to the sales and service of lawn mowers, four-wheelers, and snow machines. Today, 55 years later, Walt's Sales & Service is a thriving family business. They were voted one of the top District Dealers of the Year 2018 Eastern Division.

Walt's Sales & Service is probably best known as the local distributor, and the largest dealer in the state of Vermont, of Bombardier (BRP) Ski-doo snow machines and ATVs. They also sell Can-Am BRP snow machines, ATVs, Spyders, and Sea-doo personal water crafts. They were On-Road Dealer of the Year for Spyders!

Any Ski-doo enthusiast will tell you that Walt's offers a great selection — and competitive prices — on BRP Ski-doos and ATVs (plus the parts, accessories, and outerwear). And few places in Vermont provide better service and advice on snow machines and ATVs, no matter what the brand, than the staff at Walt's. Visit their new showroom!

Walt's Sales & Service also provides an outstanding array of lawn mowers and trimmers. They are authorized distributors for Toro and Echo. Not only do they have the product, they also provide the service that keeps the machinery in good repair.

Ed Jenness runs the business with his wife, Alta, and sons Scott, Tim, and Chris. Brad Glodgett, Max Bly and Robert Bean also work there and are all factory-trained service technicians.

West Charleston Corner Store

Michael and Linda Bowen have now been in business for the third year at the West Charleston Corner Store.

The Bowen's want their store to appear as an overall general store. They offer groceries, beer and wine, but also offer dog and cat food, a full line of farm-animal feed, their own maple syrup, local eggs and honey as well as breakfast sandwiches and other home-cooked foods! Sandwiches are made fresh daily. They offer made-to-order pizza, Green Mountain Coffee, iced coffee, and Ben & Jerry's ice cream. New to the store: Memory Bears, Memory pillows, table runners, and lap quilts custom-made locally. You can get your gas and off-road diesel here, cookout supplies, and even bring your bottles back for bottle redemption.

Michael and Linda want to make their customers feel welcome and let them know they appreciate their business. Stop in and see all that this corner store has to offer. And if you stop in on the weekend, grab an Amish doughnut while you're there!

United Christian Academy

United Christian Academy (UCA) is a private K-12 Christian school located in the heart of Newport, Vermont, that has been around for the past 27 years. In 1994 pastors from 18 churches met to discuss creating a Christian school option in the Northeast Kingdom, making it a uniquely Protestant and Roman Catholic collaboration.

Headed by Kimberlee Strepka, and Michelle Geib as the Academic Program Director, UCA currently employs 25 people.

The school has a family atmosphere with great school-to-family communication. Individualized instruction is available due to the student/teacher ratio that allows for personal attention. If needed, Personal Education Plans (PEP) provide for accommodations of many diagnosed learning challenges.

UCA is committed to student success and developing strong leaders who are community minded. Parents have a voice at United Christian Academy and the teachers love their students. UCA appeals to those interested in a strong, well-rounded education that encompasses core subjects and community service.
